Re: United States v. Joseph A. Camp 10000318.01/02.CR.W.ODS.

Dear Sir.

For the reasons in my previous letters I am requesting that my indictment be dismissed with ~~no~~ jeopardy attached.

To include,

speedy trial violations,
due process violations.

Discovery matters violations.

Prevention of confronting evidence & witnesses violations

Just about the entire constitution violated.

Please dismiss the charges, as I will never be able to receive a fair trial now.

Thank you kindly.

Dear Sir :

For reasons all ready expressed in my previous letters, to include
Speedy trial violations, Due Process violations, Discovery Violation, refusal
